

# Professional Indemnity for Technology, Media & Telecoms

This document provides a guide to the cover provided under the Glemham **Professional Indemnity Insurance for Technology, Media and Telecoms**. It does not contain the full terms and conditions of your policy. For those details please refer to the policy wording or summary of cover that accompanied your Confirmation of Quotation or Certificate Schedule and contact your insurance advisor if you need to discuss your cover further.

## What is Professional Indemnity Insurance?

Professional Indemnity insurance covers you in respect of compensation that you may have to pay to your clients arising out of problems associated with the work you have carried out for them.

The insurance is designed to cover the cost of defending you against any allegations of wrongdoing as well as covering damages that may be awarded against you. It may also cover the cost of correcting mistakes in order to avoid a more costly legal action.

### Summary of Cover

- Breach of civil liability
- Negligent act error or omission
- Unintentional intellectual property rights infringement (other than patents)
- Unintentional breach of confidentiality
